1-Steel toolbox tray with 500 lb roller bearing sliders and locking latch

1-Aluminum bookshelf

1-Ceiling light

Driver side #2 – 60”H x 24”W x 24”D

1-Vertical steel door  
3-Adjustable aluminum shelves  
1-Door light

Driver side #3 – 60”H x 24”W x 24”D

1-Vertical steel door  
3-Adjustable aluminum shelves  
1-Door light

Driver side #4 – 39”H x 26”W x 24”D

1-Vertical steel door  
2-Adjustable aluminum shelves  
1-Door light

Driver side #5 – 51”H x 24”W x 22”D

1-Vertical steel door  
1-Aluminum drip tray with drain hose  
1-Hook for crane controller and cable (front wall)

Passenger side #1 – 60”H x 36”W x 24”D

1-Vertical steel door  
3-Adjustable aluminum shelves  
1-Door light

Passenger side #2 – 60”H x 24”W x 24”D

1-Vertical steel door  
2-Bottle holders with wear pads (front wall)  
2-Gear hooks (1 rear wall, 1 back wall)  
4-Vertical bar holders with tie down tabs (rear wall)  
1-Stainless steel vent (above bottles)

Passenger side #2 – 60”H x 24”W x 24”D

1-Vertical steel door  
3-Adjustable aluminum shelves  
1-Door light

Passenger side #4 – 39”H x 26”W x 24”D

1-Vertical steel door  
2-Adjustable aluminum shelves  
1-Door light

Passenger side #5 – 16”H x 22”W x 16”D

1-Vertical steel door  
-Under deck cabinet

Cargo bay – 110”D x 48”W x 39”H

1-Flip up aluminum roof system with gas cylinders, stainless latching, and two removable aluminum rear panels
